SEND Mobility Platform

SEND Mobility Platform provides different services that aim to create a **"quality mobility system"** in the field of **Social Innovation**.

It facilitates the **most suitable matching** between university students/innovators and organizations around Europe, and provides information and support to **implement, prepare and evaluate your mobility for traineeship**, managed by **SEND Mobility Consortium**.

Register your **personal profile** or your **organization** in the appropriate area.

RESERVED AREA

What happen then??

After your registration there is a **1st selection** of the candidates. If you pass this selection, you will have access to the “**Reserved Area**”, where you can see the list of our Hosting Organizations and their traineeship offers. Through **filters** (type of entity, spoken language, main business, position) you can find the **most suitable organization** for you!

The screenshot shows the website interface for the 'Reserved area'. At the top, there is a navigation menu with 'Home', 'Registration', 'News', 'Library', and 'Reserved area' (highlighted). Below the menu is the SEND Mobility Consortium logo. The main content area has a teal header with 'Organization list' and a breadcrumb trail 'Home / Organization list'. Below this is a search filter section with four dropdown menus: 'Type of entity', 'Spoken language', 'Main business', and 'Position'. A 'Search' button is located below these filters. The search results are displayed in a table with columns: Organization, Country (Address), City, Type of entity, Main business, and Positions.
